

Monthly Meetings:

Each meeting begins with a business meeting (about 1 hour long) including “show and tell”. Members are encouraged to bring projects to share with the group.

After a short coffee break, we proceed into topical programs, which often include nationally recognized and/or published presenters.

Governance: The guild elects officers who sit with a representative from each study group on the Executive Committee. The guild has a Constitution and Standing Rules and we run meetings following Roberts’ Rules of Order. We hope all guild members volunteer at some point to serve on one or more of our committee/board positions to help us maintain a vital guild.

Visitors and guests: Non-members are welcome to attend one of our meetings free of charge. New member enrollment is accepted at the beginning of each meeting.

Dues: \$25 per year
